### Discovery North Bay in the Community: Celtfest, King George Street Fair.

June 6<sup>th</sup> was a busy day for the Museum. First we joined our friends at **King George Public School** for the 3<sup>rd</sup> annual King George Street Fair (something we look forward to all year!) We met new friends and gave away a free family membership to a lucky family who visited our booth at the fair. Thank you to Sophie Martel, Bill Ferguson and Dan Pigeau for helping with our display! Again, many thanks to the wonderful volunteers, teachers and families at **King George** who make this such a memorable event for our community.

Also on June 6<sup>th</sup>, Keith Wootten (our resident Scottish staff member) visited **Celtfest** at Champlain Park. Keith's was eager to share his research regarding John Ferguson, although we couldn't convince him to wear a proper Scottish kilt for the occasion. Keith was also on hand to help folks decode their family tartan. Thank you to the organizers of **Celtfest** for involving the Museum. Thank you to Keith Wootten and Pam Handley of Discovery North Bay for helping out at the event.

**We're blogging!**

Who says museums have to be old fashioned! We are getting with the 21<sup>st</sup> century and blogging about anything and everything museum-ish.

**Recent posts:** Two of our newest staff members are profiling their experiences as part of the Museum team. Join them in their first week of "discovery" on the job at Discovery North Bay.
