HAPPY HALLOWE'EN TO ALL FROM THE MUSEUM!

Thank You North Bay Heritage Gardeners

Every year, the North Bay Heritage Gardeners create a living masterpiece in the gardens that they tend to. For the past few years the Museum has been surrounded by beautiful planters full of beautiful blooms.

We wish to send out a special thank you to **Dorval and Monica**, seen here getting the planters ready for another winter. Thank you for keeping things in top shape, and making our Museum, and downtown such a lovely place to be!
